- On this occasion Questionier was released which was later on filled up by the hundreds of participants(Scavengers/Sweepers) who attended the program.
- Different suggestions has come from the guest like coverage under ESI, use of PPE, giving training to the scavengers, their periodical Health Check-up & Vaccination etc for the betterment of quality of life of the scavengers/sweepers.
- Safety Equipments like hand-gloves, cap & Face mask is distributed to all the participants by a young start-up Entrepreneur Mr. Dillip Mishra.

Direct Impact of the Program

On Thu, Jul 5, 2018, 09:01 DrRamaChandraRout .DrRamaChandraRout <dr.rcrout@gmail.com> wrote:

Dear SirIt is really a good initiative taken by your Organisation with a very noble intention.

We are distributing PPE and looking forward for help and support from the HFW

particularly DFW and NHM for imparting immunization to field workers. You can Sir

take initiative at above two levels .

With Regards

Yours affectionately

Rama

Visit to Cologne, Germany from 16th to 18th July 2018

Mr. B.K Sahu had a visit to Cologne, Germany for attending the review meeting involving Activities of Indo-German Focal Point and 2018-19 Action plan.

Important Highlights:

1. The Booklet Titled “A journey from Bhubaneswar to Berlin through Cologne” containing the activities of Focal Point was released jointly by Prof Noetel, Mrs. Eva, Mrs. Spotter, Mrs. Jackish, Mrs. Kristina and Miss Portero.
2. Formal Release of 2nd Issue of Newsletter was also made.
3. The Booklet containing report of recently held Program by PECUC and Indo-German Focal Point was handed over to Prof. Noetel.
4. The Magazine Drivers Duniya containing advertisement of SSVC 2019- hard copy was handed over to all concerned.

Talk on Construction Worker at Delhi on 24.07.2018 by Prof. Noetel

1. Meeting of Mr. Ranjan Mohanty & Prof. Noetel @ Delhi

(Gist of the Discussion)

- a) While discussion it is mutually agreed to work together (PECUC & ISSA/BGBAU/IGFP) for occupational safety & health standards at workplace and promoting a safe, protective & healthy environment for workers.
- b) It is decided that PECUC shall develop a concept on a possible campaign for safety, social security and health of construction workers, their children and families and submit.

2. Talk on Construction Workers by Prof. Noetel organized by NCCL

- a) Prof. Noetel emphasized for creating awareness of three issues for construction sector in India namely Fall Protection, electricity and use of PPE.
- b) Learning through Children as done by SEWA may be used by participants.
- c) The awareness on OSH can be taken to workers and other stake holders by making use of religious leaders
- d) Another aid to create awareness may be mobile safety training van as suggested by Prof. Noetel.
- e) Participants also emphasized for inclusion of strong penalties for violation of OSH related regulation/Act framed by Central/State Governments.
- f) Another important recommendation is to include OSH in the skill development program of Govt. Of India/State Govt. Including students in the primary classes.

Talk on Vision Zero and Meeting with Labour Secretary, Chennai 25th & 26th July 2018

Prof. Noetel gave a Talk on Safety & Health for Construction sector- Highlighting International & India facts & Figures with Vision Zero goal etc. There after Mr. B.K Sahu made a presentation emphasizing the role of prevention in OSH, Proposed International Symposium, about Berlin Fall Protection Seminar and SSVV 2019 Contest.

Meeting with Labour Secretary, Tamilnadu (25.07.2018 @ 3.30 PM)

Prof. Noetel introduced himself and after introduction following points were discussed

Venue to be arranged by Director of Factories, who will be the coordinator from Labour Department, Tamilnadu to interact with Mrs. Eger of DGUV. It was suggested to have Universities/College auditorium as venue.

300-400 participants for International Symposium as delegates may be invited by the Labour Department from among workers, Trade Unions, Industries, Labour/Boiler/Safety officers of Directorate and students studying on Safety & Health who may be co-opted as volunteers also.

DGUV will host a dinner on the evening of the 1st Day to be preceded by a cultural Program to be arranged by Labour Department, Tamilnadu.

Logistic invitation, registration, reception and inviting Indian Speakers will be done by the Labour Department, Tamilnadu. The draft program was handed over by Prof. Noetel to Labour Secretary with request to decide any change/modification in the program including Indian Speakers.

Prof. Noetel wanted that economy may be observed after discussion. He offered financial support from DGUV and supporting organisations.

Talk on reaching workers involving religious institutions on 2nd August 2018

On 2nd August we had a Talk on "Reaching Workers on OSH Education through Religious/Spiritual Institutions" @ our Focal Point office. After brief introduction of the participants and the speaker namely Mr. Biraja Mahapatra, Supreme Court Lawyer and Social Activist, he made a Talk as to how influence workers through religious/spiritual teachers/institutions. He read out the relevant para from his book written by him named "Audacity of Dreams".

Other participants expressed their views supporting the ideas of involving spiritual leaders for OSH Education reaching workers and their families. In addition they suggested utilizing children and students in OSH Education reaching the stake holders.

The next step for holding a Program with spiritual leaders would be decided in consultation with DGUV and BGBAU etc. Prof. Sasmita, Registrar, KIIT while expressing support spoke about Center of Excellence and her travel to Cologne, Germany experience.

Celebration of Independence Day on 15th August 2018 with pledge for a Safe & secured workforce to have a prosperous Nation

On the auspicious occasion of Independence Day Celebration, DGUV through it's Indo-German Focal Point presented support for Safety Play staged by the school children of Vivekananda School at International Symposium, Bhubaneswar in February 2018 and Goodwill Message from Prof. Noetel had been conveyed to the students by Mr. Madan Mohan Dhal, President, Vivekananda School.

Sahu, Former Commissioner ESIC, Head of Indo-German Focal Point, Sri B.K. Sahu. DCP, Traffic

- **Sri B.K. Sahu, DCP Traffic** said why it is needed to learn various things before getting in to the job of controlling the traffic and maintain the safety of the public .
- **Sri B.K. Sahu, Former Commissioner ESI, Head of Indo-German Focal Point**, said it is the attitude & behavior, mostly caused one traffic personnel to perform his/her duty with utmost perfection.
- **Sri Bijay Patnaik, Former CS, Govt. of Odisha**, said, it is not just a challenge but a Great Challenge before you, on how to do the job with a Smile.
- **Ms. Soma, a freelance soft skill trainer**, said what & why it is needed? And how this is to be followed and/or performed especially in your case, when you put on your uniform and a fear factor works in the eye of the public that, a law keeper is on duty
- **Sri S.K. Mohapatra, safety consultant**, said what are the hazards that one faces while on road, especially for the uniform clad personnel.
- **Sri Sandeep Jena, Road Safety consultant**, said the state of mind that one used to be while resuming duty is main point, as he/she does not know what kind of situation that he/she is going to face or what is there for him/her in the Pandora box

Thanks Giving Get-together Program on 31.12.2018 at Hotel Presidency

On this occasion Indo-German Focal Point Calendar 2019 was released by the esteemed Guests.

Suggestions from Mr Jagadananda, Chairman, CYSD

1. Workers should be skilled properly which can be developed by IGFP.
2. Training Manual should be prepared for the workers of different sectors
3. Smart Citizens with free of Accidents campaign

Suggestions from Mr Madan Mohan Dhal, President, Vivekananda Shikhya Kendra

1. Awareness Programs for Migrant workers like head-load workers etc. through short films
2. Educational Curriculum should be prepared for workers.

Suggestions from Mr Panchanan Kanungo, Former Finance Minister, Odisha

1. Road Traffic Training program through DCP, Traffic
2. Training of construction workers through Construction Board of Odisha with support of Indo-German Focal Point.

Significant Achievements of Indo-German Focal Point:

1. Indian Safety Song and Video Contest 2019 (SSVC 2019)

- A game Changer

How it Was Conceptualized: Journey so Far

Search for reaching to workers and industries through Awareness Programs and Street Plays already having completed, Focal Point started deliberating to go for “playing songs, films and videos at workplaces”- Taking into Indian tradition of reaching directly to the stakeholders.

Started during discussion with Mrs. Spotter at Cologne in December 2017, followed by Video Conferencing on 21st February 2018 at Mayfair with Mrs. Spotter and Mrs. Portero in the presence of Prof. Noetel and Mrs. Kristina, giving final shape to have Indian Safety Song and Video Contest 2019.

2.MOU for Establishment of Center of Excellence between KIIT & DGUV

Proposed MOU with IIM, Ranchi (TBC)

3.Street Plays on Occupational Safety & Health by School Children involving Road Accident & Work-Site Accident :

**4. Educating Women & Children that
“Zero accident & Disease at Workplace is Possible”
through Poster & Including as a Chapter in School
Syllabus through HRD Ministry Govt of India:**

EDUCATING WOMEN & CHILDREN ON SAFETY, SOCIAL SECURITY & SKILL DEVELOPMENT
 TO EMPOWER WOMEN & ENTREPRENEURS THAT "ZERO ACCIDENT & DISEASE AT WORKPLACE IS POSSIBLE"

**ପୁରୁଷ ଧନ - ମହିଳା ବିନା ଶୁଣି ଚଳେନା -
 "ପାପଟୋର" - ଭୁଲ ପୁରୁଷର ଧନ ଯେ ଭୁଲସିବ, ଚଳେନା ଯଦୁକ୍ତ ଧନ ଚଳେ ।
 'Parents' - 'You stay safe so that family is secured & the Nation is Prosperous'**

 FORMER SECRETARY (TELECOM)

Unique Achievement of IGFP

1. Proposal to Create Awareness through Transgender

Dear Satyajit Babu(Commissioner Police, Twin Cities of Bhubaneswar & Cuttack)

During yesterday's Awareness Program for your Traffic Police Recruits, I have the privilege to give A Talk on Road Safety & Importantly Exhibited A Video ' Showing how Transgender Could Be Used @ Traffic Signal To Educate Drivers on Rod Safety ". The Acceptability among the Drivers to such Efforts of Transgender is Immense & & Immediate. Keeping in view their presence @ Each Traffic Signal Spot, they can be roped in in imparting Talk on Road Safety by giving them some Basic Training. In the process such Transgender could be utilized to check Road Accident by supplementing the work of Traffic Police, besides Bringing The Transgender to Mainstream of Society.

Sd- Mr. Sahu, Indo-German Focal Point

2. Proposal to introduce chapter on OSH in school syllabus

Respected Javedkar ji (Honorable Union Minister, HRD)With Make In India Goal of present Government along with Skill India, Occupational Safety and Health (OSH) has come to occupy an essential element towards dignity and Development of workers engaged in various industries, both informal and formal sector in our country. In order to reach such workers, as to send the message of Vision Zero and Accident in Workplace which was launched in India in March 2017, we have devised a Campaign titled "Empowering Workers and Entrepreneurs on Safety, Social Security and Skill Development by educating women and Children that Zero Accident & Disease at workplace is Possible".

It is in above background Indo-German Focal Point which I am coordinating in India, with the support of DGUV, Germany has sent a proposal to Mr. Anil Swarup, the then Secretary, HRD for introducing a chapter on OSH in schools and colleges to start with controlled by Govt of India. I have the pleasure to place the copy the said proposal with the Honorable HRD Minister with request for taking a call which will benefit millions of workers in our country-

3. Translation of Vision Zero Guide to English & Hindi Languages

Dear Sasmita Madam (Center of Excellence, IIT & DGUV),

You shall be glad to know Center of Excellence has come to be discussed by Prof. Noetel & Me for doing activities like Translating from Germany to English involving OSH Document sent by Kristina etc & on SSVV 2019 Translation etc. In fact i find a great opportunity for our Center of Excellence in imparting OSH Education/ Training by bringing Best Practices on OSH with support o DGUV/ISSA Sections & BGBAU .

I am rather surprised that OSH/ Vision Zero related Information & Documents are available for Access in English, German, Spanish & French, india with home to 1200 Million People & with Hindi as A Principal Language is not having Documents in Hindi. Hence Let Center of Excellence take initiative in doing Translation in Hindi Vision Zero Document to start with as referred by Bernard in his Mail & Perhaps we may be First in doing this in our Country which will be A Milestone -which can be also highlighted in 10th Anniversary celebration during last week of this month @ Berlin.

Sd- Mr. Sahu, Indo-German Focal Point

4. Vision Zero Impact that Golden Rules for zero accident & Disease has become the 1st agenda item both in public and private sector

State-Visit in Maps & Figures:
