

# Unique Achievements of IGFP.

## 1. Proposal to introduce chapter on OSH in school syllabus:

---

**Respected Javedkar ji (Honorable Union Minister, HRD)** With Make In India Goal of present Government along with Skill India, Occupational Safety and Health (OSH) has come to occupy an essential element towards dignity and Development of workers engaged in various industries, both informal and formal sector in our country. In order to reach such workers, as to send the message of Vision Zero and Accident in Workplace which was launched in India in March 2017, we have devised a Campaign titled "**Empowering Workers and Entrepreneurs on Safety, Social Security and Skill Development by educating women and Children that Zero Accident & Disease at workplace is Possible**".

It is in above background Indo-German Focal Point which I am coordinating in India, with the support of DGUV, Germany has sent a proposal to Mr. Anil Swarup, the then Secretary, HRD for introducing a chapter on OSH in schools and colleges to start with controlled by Govt of India. I have the pleasure to place the copy the said proposal with the Honorable HRD Minister with request for taking a call which will benefit millions of workers in our country-

## 2. Translation of document in German Language to English and Proposed Vision Zero Guide to Hindi Language for India and Asian Countries/NRIs

Dear Sasmita Madam (Center of Excellence ,KIIT & DGUV ),

You shall be glad to know Center of Excellence has come to be discussed by Prof. Noetel & Me for doing activities like Translating from Germany to English involving OSH Document sent by Kristina etc & on SSVC 2019 Translation etc. In fact i find a great opportunity for our Center of Excellence in imparting OSH Education/ Training by bringing Best Practices on OSH with support of DGUV/ISSA Sections & BGBAU .

I am rather surprised that OSH/ Vision Zero related Information & Documents are available for Access in English, German, Spanish & French, india with home to 1200 Million People & with Hindi as A Principal Language is not having Documents in Hindi. Hence Let Center of Excellence take initiative in doing Translation in Hindi Vision Zero Document to start with as referred by Bernard in his Mail & Perhaps we may be First in doing this in our Country which will be A Milestone -which can be also highlighted in 10th Anniversary celebration during last week of this month @ Berlin.

**3. Vision Zero Impact that Golden Rules for zero accident & Disease has become the 1<sup>st</sup> agenda item both in public and private sector safety meetings including by Labour Secretaries in State Governments.**

**4. Partnership of Indo-German Focal Point with ISSA Vision Zero:**

"take action: become a Vision Zero supporter by joining a community of over 3000 partners and companies. <http://visionzero.global/join-us>"

**5. Creating Awareness through Transgender:**

**Dear Satyajit Babu( Commissioner Police, Twin Cities of Bhubaneswar & Cuttack )**

During yesterday's Awareness Program for your Traffic Police Recruits, I have the privilege to give A Talk on Road Safety & Importantly Exhibited A Video ' Showing how Transgender Could Be Used @ Traffic Signal To Educate Drivers on Road Safety ". The Acceptability among the Drivers to such Efforts of Transgender is Immense & Immediate. Keeping in view their presence @ Each Traffic Signal Spot, they can be roped in in imparting Talk on Road Safety by giving them some Basic Training. In the process such Transgender could be utilized to check Road Accident by supplementing the work of Traffic Police, besides Bringing The Transgender to Mainstream of Society.

Sd- Mr. Sahu, Indo-German Focal Point

**6. Three young students/professionals have achieved success in their educational and professional career with experience of IGFP.**
